

? NFC Decisive Moments: East | West | North | South ? AFC: East | West | North | South,nfl youth jersey

In Halloween black and orange, the Cincinnati Bengals were like zombies in awkward, relentless pursuit of the Miami Dolphins.

The Bengals stumble-stalked. The Dolphins seemed vulnerable regardless of their wherewithal to get away.

Had the Dolphins managed to turn one of their five field goals into a touchdown, they would have been comfortably ahead. Had Dolphins safety Chris Clemons not bobbled a surefire interception right to Terrell Owens for a freak touchdown at the end of the first half,authentic nfl jerseys, the game would have been over.

Instead,custom college football jersey, the Bengals were in a one-score game and driving with about three minutes left.

On the 15th play of a series in which the Bengals converted three third downs and a fourth down, Dolphins cornerback Sean Smith knocked the zombies' heads off.

Smith,boise state football jersey, who lost his starting job at right cornerback to Jason Allen just before the regular season began, recorded his first NFL interception.

Carson Palmer threw a fluttering ball to Owens, but it went right to Smith at Miami's 7-yard line. Smith returned it 18 yards to give the Dolphins possession with 2:43 to play.

The Bengals had one timeout to burn. After two Ricky Williams runs, the Dolphins were in victory formation to kill the clock.

More than a decisive moment for the game, the play could prove decisive for Smith, a young player who has lost his swagger since the Dolphins drafted him in the second round last year and started him all 16 games.Jim Rogash/Getty ImagesCoach Rex Ryan has fielded plenty of inquires from other teams regarding the availability of unheralded linebacker David Harris in trade. Ryan's response: 'How about no?'FLORHAM PARK,nfl jerseys cheap, N.J. -- When thinking of the New York Jets' defense, the first person that probably comes to mind is Rex Ryan. If not him, then Darrelle Revis or Bart Scott or Kris Jenkins.

The Jets added a couple of more prominent names in the offseason,south carolina football jersey,custom hockey jersey, trading for Antonio Cromartie and signing Jason Taylor.

Often overlooked is the man who led the NFL's top-rated defense in tackles in 2009.

David Harris is so discreet, casual fans don't know who he is. They might not even know what position he plays.

Pssst. He's an inside linebacker. And he's pretty good.

"With the spotlight on us and people knowing how good our defense performed last year,patriots football jersey," Scott said,football jersey creator, "if they search for why our defense is successful,customize nfl jersey, they'll realize he's a huge part of it."

It's amazing how inconspicuous Harris is. Before January's wild-card playoff game,Cheap Hockey Jersey, Cincinnati Bengals running back Cedric Benson claimed he was baffled by Harris. Benson claimed this after the Bengals played the Jets a week earlier in the regular-season finale, mind

you. Said Benson regarding Harris: "I'm not a big names guy or who's playing. I don't even really know who that is."

Harris is a crucial component of the Jets' defense. He never leaves the field because he can stuff the run,wholesale nfl jerseys,nfl jerseys nike, blitz and cover on passing downs. Mismatches don't happen with him. He wears the defensive headset, relaying the play calls to his teammates.

"He really has a complete game, and he's getting better and better," Jets linebackers coach Bob Sutton said. "His arrow is pointing up."

Harris, entering his fourth NFL season,cheap nfl jerseys, is on the verge of barging into the group of elite inside linebackers. He was a second-team All-Pro last year,scotland football jersey, but didn't make the Pro Bowl.

His numbers last season were gaudy: 142 tackles (by the team's count),nfl jersey sales, 5.5 sacks for a team-high 50 yards of losses, 12 quarterback hits,cheap basketball jerseys,nike nfl uniform, two interceptions and two forced fumbles.

In the postseason,nfl 2012 jerseys,authentic nfl jersey, Harris led the Jets with 25 tackles and two sacks on a sore ankle.

"He's a very dependable,nfl custom jersey, consistent guy," Sutton said. "You're getting the same player every single game right on through the season."

[+] EnlargeAristide Economopoulos/The Star-Ledger/US PresswireDavid Harris had 5.5 sacks in 2009.While fans might pay more attention to Revis' scintillating coverage skills, Scott's histrionic chatter or Jenkins' massiveness at nose tackle, Harris is a known -- and precious -- commodity among GMs and scouts.

When the Jets checked in with the Denver Broncos about receiver Brandon Marshall's availability, Harris was who the Broncos coveted. The trade, of course,nfl jersey sale, didn't happen.

Ryan learned of Harris' value around the league before he coached his first game with the Jets. Harris was coming off a 2008 season in which he was limited by a hamstring injury,hockey jersey maker,nfl authentic jersey, missed five games with a torn groin and suffered a broken leg in the season finale. Yet opposing teams wanted him on their roster.

"Any move that we looked to do that first year when I got here,football jersey designer," Ryan said,make your own nfl jersey, "it was trading up to get [Mark] Sanchez,big and tall nfl jerseys, all this and that ... Every single time it was,shop nfl jerseys,nfl jersey shop, 'How about David Harris as the player?' He was the player to be named. 'Oh,army football jersey,youth football jersey, and by the way, we'll take ... How about David Harris?' How about, no way? There's no chance. Think I'm going to give up a great defensive player like him? No way."

Harris has remained under the radar partly because he's so soft-spoken. He's mute compared to Scott,nfl stitched jerseys, his inside linebacking partner. Scott calls them "The Odd Couple."

There's a reason why a Harris quote hasn't appeared earlier in this story.

"I keep quiet, try to stay humble and keep to myself,nfl football jersey," Harris said with a grin.

Harris is one of the Jets' so-called "Core Four" players who want new contracts. Revis, center Nick Mangold and left tackle D'Brickashaw Ferguson are the others. Revis has taken an aggressive approach to making his demands known. Mangold has been more diplomatic, but hasn't

been reluctant to speak.

True to form, Harris has declined to make his contract an issue.

"I'm just worried about playing football," he said.

Scott knows a side of Harris the media and fans don't get to see. Scott said it takes a while to break down the wall around Harris and get to know him.

"He's a loyal guy, Nike NFL gear, back to his family," Scott said. "All he cares about is playing video games or going back to Grand Rapids (Mich.) to hang with his high school buddies. It's low profile."

That's a significant reason Harris received little Pro Bowl consideration last year. Scott received many more votes in fan balloting.

It's not like Harris has emerged out of nowhere, an undrafted player from a Division III train stop somewhere in the Midwest. The former University of Michigan star and Butkus Award semifinalist was the 47th overall draft choice in 2007. He recorded five sacks as a rookie.

But his injury-plagued 2008 season interrupted his rise as much as his reluctance to talk about himself -- or anything else.

"That's part of football," Harris said of 2008. "Each and every one of us has a war story, new NFL jerseys, new NFL jersey, and that was mine."

Sure, Mighty Ducks hockey jersey, it's a war story. Good luck hearing Harris tell it.
