Shane Lechler aboard Tom Cable's departure: 'A terrible decision'

By MJD

Tom Cable was indeed let work as brain coach of the Raiders,nfl jersey numbers,just days afterward completion the season along 8-8. It looks extra and extra favor provocative coordinator Hue Jackson will take his place We'll get after to Hue in a minute.

First, let's hear from punter Shane Lechler(notes who has been with the Raiders as 11 years and made the Pro Bowl surrounded six of them. He talked to Kate Longworth of CSN Bay Area aboard Tuesday, and he's never joyful with recent developments.

"I just looked by my wife and said 'I can't go through afresh brain adviser.' This want be six immediately within 12 years and it's never amusement [...] I think this is going to be a big setback as us, to make you the truth.

"Tom was agreeable by how he handled the entire 'dealing with Al' and all namely situation. He was an of the better coaches I had by handling namely chapter of it, and never letting namely part of it disturb the football crew.

"I seriously have a hard time believing namely we're never going to immediately lose some very opener free agent guys. I think immediately you'll probably see folk favor Robert Gallery(notes work on to again crew Probably Michael Bush(notes Probably a handful of guys namely we really actually need behind here, make your own jersey.

"I'm never so sure -- and I don't mind saying it, I've been here long enough -- I'm never so sure this wasn't a terrible decision."

If you wanted to, I guess you could discard Lechler's opinion because he's a punter. But afresh he's been with the Raiders as eleven years and has witnessed the carnage namely comes with an endless pageant of hapless brain coaches. No one's going to have a better attitude on the last decade of Raider history than Lechler.

[Video: 'SportsCenter' anchors celebrate news of Mangini firing]

Here are his thoughts on latent current guy Hue Jackson:

"Whether he can call activities and pull off the whole brain coaching handle and handle with Al Davis on the side, I don't know."

That's double among the same interview namely Lechler's mentioned"dealing with Al Davis"as something a Raiders head guide has to do among array to reserve Davis from bothering the football team"

What an odd mini situation namely exists among Oakland. It looks accessory and accessory favor this was always almost Hue Jackson,penn state football jersey. Al Davis must have felt favor Jackson was more instrumental in the team's improvement than was Tom Cable,nike football jersey, and whether he didn't enhance Jackson to brain consultant he would have lost him. And as always I know, he's right on either counts,custom nfl jersey.

[Rewind video: Jets consultant trips Dolphins player during game]

It's still a big big risk There was someone surrounded place who could, as Shane Lechler put it, handle with AI," and in the meantime get the crew behind to playing respectable football. That stability is gone and permanence seems favor the an thing the Raiders need more than anything else. On the sidelines immediately is a guy who has never been a head director let alone a brain consultant namely also has to deal with AI, football practice jerseys."
